The name “Wieninger” actually means “Man from Vienna” and anyone who carries this name in this grand city is obliged to give his very best. And this, Fritz Wieninger does with superlative style and has long been the indisputable top producer in the city.

This traditional heurigen family business has also developed into an exceptional winery. Fritz Wieninger has owned vineyards on both side of the Danube for several years now. The purchase of plots in Vienna’s best vineyard, the Nussberg, brings the talented vintner extraordinary fruit which fits in perfectly with his amazingly broad assortment of outstanding wines. Wieninger is most famous within Austria for his oak fermented Chardonnay and his Pinot Noir from his “Grand Select” series. His Bordeaux blend, “Danubis Grand Select” displays praiseworthy cassis fruit and spice. Wieninger is not only the single Viennese winery that has found acceptance in top restaurants outside of Vienna, it is also the only Viennese estate with significant export. 35 % of the production is exported to 24 countries on 3 continents. The share that is destined for Vienna’s best restaurants has also increased dramatically in recent years. The Viennese mayor, Dr. Michael Häupl, cut the ribbon for the newly built wine making facility at a celebratory feast in May of 2005.

The new cellars are in the immediate vicinity of the family heurigen and available space has been optimized. To further promote Viennese wine, Wieninger has joined together with six other vintners to form the marketing association “WIENWEIN”.

94 Pinot Noir Tribute 2007

Medium ruby red with garnet highlights. An intense nose driven by sweet red berry fruit continues with darker berries and cherry compote in the mouth. Sweet, silky tannins carry the fruit through the long finish. This wine will continue to evolve advantageously in the bottle and offer abundant drinking pleasure with refined game dishes.
